

EA7 EAT TENNIS AS YOU'VE NEVER SEEN IT BEFORE!

Season after season, EA7's technical tennis products have been stable and recognizable on the courts, also thanks to your publicity and our brand ambassadors bringing us: Nikolai Pietrangeli, Christian Garin, Nick Pietrangeli and Martina Kostomarov are our stars and their style is an absolute virtue. In 2023 the collection expands even more! We offer a perfect mix of elegant and classical technical garments and "tennis" and graphic pieces - with fresh shapes suitable for average athletes. All garments feature "EMPO" technology which guarantees extreme lightness and breathability keeping the body as dry as possible during the match.

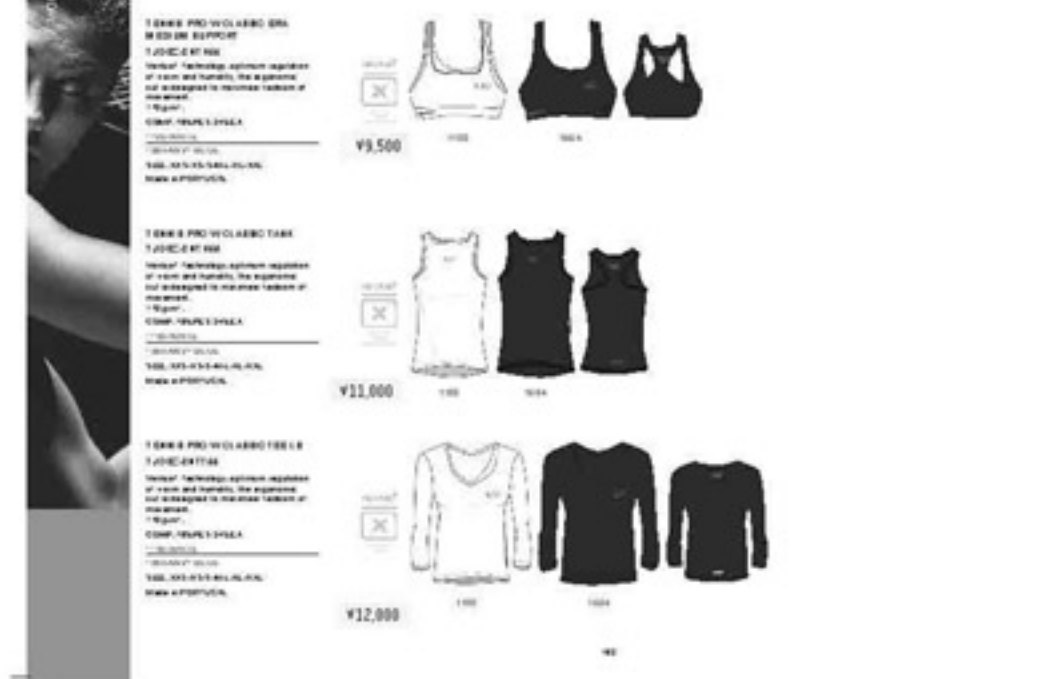

In order to meet the needs of competitive players, a new tennis racket and a new and even more performing tennis racket will be available, in addition to all the essential accessories. We will be provided with an extra catalogue showcasing a tennis school equipment. It's a new set of stock program to dress up the weekend club in your city!
